## What is an Organic CSA?

Pat and Rachel's Gardens LLC is a USDA certified organic farm (By NOP ID# 1288, Certified by OneCert, Inc.). An organic CSA is a subscription service to fresh, organic produce available on a weekly basis. CSA stands for "Community Supported Agriculture." Local farmers are supported by a guaranteed market paid for in advance. Most of the farmer's expenses are invested before the harvest. The CSA provides a stable set of buyers for the produce and connects you directly to your farmer who grows your food.

### How much do subscribers get each week?

#### Example of a Spring Share:

1 lb asparagus, bag of arugula,  
bunch of radishes, bunch of beets,  
bunch of fresh herbs, bag of spinach

#### Example of a Summer Share:

2 lb of cucumbers, 2 lbs. of onions, 1  
pt. of cherry tomatoes, jar of jam, 1  
lb of green beans

### What is the cost?

- **\$25** per week for a share picked up  
at the farm or Overland Park or the  
Brookside Farmers' Market.

**5% discount** for two sessions if  
bought together at the beginning of  
the season

### How do we get our produce?

Customers can pick up the produce at the farm (28485 W 119th St.  
Olathe, KS 66061) or at one of our Farmers' Markets (Overland Park or  
the Brookside) on Saturdays.

### Are extra add-ons available?

Yes, CSA customers may add-on extra produce, processed products we  
make by ordering from our online store on Wednesday or Thursday of  
each CSA week.
